

REMARKS

Applicants are providing herewith a paper copy and computer readable form of a Sequence Listing providing sequence information for all nucleotide sequences of 10 or more bases set forth in Figures 1 and 2 of the instant application as required by MPEP §2421.02. Applicants have also amended the specification to include reference to the Sequence Identifier Numbers as set forth in this Sequence Listing. All sequence information in this Sequence Listing was presented in Figure 2a-c as originally filed and therefore no new matter is added by these amendments.

Applicants are also providing herewith a Statement that the provided CRF copy of the Sequence Listing is identical to the paper copy of the Sequence Listing submitted herewith.

Respectfully submitted,
